

Please read entire label before use.

Suggested Use: Begin by taking one (1) capsule per day. For optimal results, take twice daily, or as directed by a qualified healthcare practitioner. Do not take within six (6) hours of sleep. Do not exceed more than two (2) capsules per day.

Warnings: Not intended for use by persons under age 18. Do not exceed recommended dose. Do not take for more than 8 consecutive weeks. This product should not be taken by pregnant or lactating women. Get the consent of a licensed physician before using this product, especially if you are taking medication, have a medical condition, or thinking about becoming pregnant. **Keep this product and all supplements out of the reach of children.**

Caffeine warning: The recommended serving of this product contains approximately as much caffeine as three cups of coffee. Do not consume caffeine or synephrine from other sources, including but not limited to coffee, tea, soda and other dietary supplements or medications containing phenylphrine, ephedrine, pseudoephedrine, caffeine or other stimulants. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally rapid heartbeat. Discontinue use if you experience dizziness, severe headache, rapid heartbeat or shortness of breath.
