

TheraCran HP is a standardized, high-potency cranberry supplement formulated to support and maintain urinary tract health.** Two TheraCran HP capsules per day provide 36 mg of proanthocyanidins (PACs),† the amount that has been shown to be beneficial in research studies. TheraCran HP is the only cranberry supplement that has been tested and certified by NSF to contain the high level of proanthocyanidins (PACs) needed to maintain normal urinary tract health.**

The formulation of TheraCran HP is overseen by the Theralogix Medical Advisory Board, composed of leading academic physicians and scientists.

TheraCran® HP
