Probiotics are the good bacteria that live peacefully in your child's intestines and help keep your child healthy.*

Help keep your child's tummy happy and healthy with this product. Each delicious tablet contains 5 billion live cultures of lactobacillus rhamnosus GG. When taken daily, our formula can help support your child's immune system and help promote a healthy digestive system.*

This product does not contain any sugar, dairy, soy or gluten.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

100% satisfaction guaranteed For children 3 years and over, take one (1) tablet daily. When occasional digestive upset occurs, two tablets per day may be taken, once in the morning and one in evening. Consult your physician if conditions persist. Store at room temperature. For best results, we recommend you store this product in the original blister card package. © 2014 Walgreen Co.

Warnings

KEEP OUT OF REACH OF CHILDREN. We recommend you discuss the supplements and medications you take with your healthcare provider. Consult your physician before taking this product if your child has a medical condition. Excessive consumption may have a laxative effect.
