Warnings: Consult your physician before using this product. Not for use by those under the age of 18 or by women who are pregnant, trying to become pregnant, or are nursing.

Bodybuilding.com Signature Citrulline is 100% pure, providing 2 grams of this key amino acid per scoop. L-Citrulline is converted to L-Arginine in the body, ultimately leading to an increase in nitric oxide. This increase in nitric oxide promotes blood flow to the muscles, making it a key component of any pre-workout product.*

Directions for Use: As a dietary supplement, add 1 scoop (2 grams) to your favorite beverage 1-2 times daily. To boost your workout, combine with Signature Pre Workout or, for maximum post-workout benefits, combine with Signature Creatine and BCAA.*
