*Daily Value not established.

Other Ingredients: Gelatin Capsule, Cellulose, Whole Food Base (Whole Rice Concentrate including the Bran, Polishings and Germ, Aloe Vera Gel), Silica, Magnesium Stearate, Stearic Acid and Magnesium Oxide.

Discussion: This product is formulated using a two-stage, timed-release technology. The two-stage formula is designed to release half of the ingredients rapidly and the other half gradually over a period of up to 8 hours**. The two-stage ingredients include Thiamine, Riboflavin, Niacinamide and Vitamin B-6. The two-stage, timed-release technology helps to extend the availability of these vitamins to the body over a longer period of time.

**Based on in-vitro dissolution tests designed to simulate the digestive process. Individual results may vary.
