

VitaCost® Ginkgo Biloba Extract Description

Natural support for memory and concentration.*

What is Ginkgo Biloba?

Ginkgo biloba is the oldest known living species of tree, and the extract of its leaves has been used for centuries in traditional medicine. Ginkgo biloba extract contains two groups of active constituents, flavonoids and terpenoids. Flavonoids and terpenoids are antioxidants.

Potency • Purity • Pride

All VitaCost® supplements are formulated to deliver the level of support you expect and deserve. Whether you're shopping VitaCost® vitamins, minerals, herbs or other key nutrients, their potency is guaranteed – what's on the label is what's in the bottle. Plus, all VitaCost® supplements adhere to the FDA's Current Good Manufacturing Practices (CGMPs), ensuring that they are manufactured to high standards of **POTENCY, PURITY**, efficacy and safety. We take **PRIDE** in what we do, which is why we promise if you don't love your product, we'll take it back – even if the bottle is empty.

About VitaCost® Brand

The search is over. VitaCost® Brand supplements are focused on helping you create a strong foundation with simple, transparent formulas that support – and easily fit into – your daily life. Whether it's Everyday Essentials you're looking for or Targeted Wellness support, VitaCost® Brand supplements offer the high-quality solution you need at the value price you deserve. We continuously look for ways to improve technology, processes and ingredients, so you feel confident about what you're putting in your body or giving to your family. And it's all right here, at VitaCost.com®.
