Supplement Facts

Serving Size 1 Tablet

	Amount Per Serving	% Daily Value
Vitamin B-12 (from Methylcobalamin)	1,000 mcg	16,667%

Other Ingredients: Mannitol Starch Complex (from non-GMO corn), Cellulose, Sorbitol, Natural Raspberry Flavor with Other Natural Flavors, Magnesium Stearate, Citric Acid, Sodium Bicarbonate, Polysaccharides (from non-GMO soy), Silica and Stevia leaf extract.

Discussion: KAL® B-12 Methylcobalamin ActivMelt™ micro tablets, bursting with sweet, natural raspberry flavor, melt quickly in the mouth and are designed for optimal absorption in the body. Methylcobalamin, or Coenzyme B-12, is the biologically active form of Vitamin B-12, which is intended to provide nutritive support for normal, healthy red blood cell synthesis, nerve function and homocysteine levels. Vegetarian.
