2 capsules daily with food or as directed by a
healthcare professional.

Store in a cool, dry place.

VitaCost Turmeric Extract Description

*Natural extract promotes healthy liver function and more!**

What is turmeric?

Turmeric (*Curcuma longa*) is an ancient spice native to India and Southeast Asia, best known for its distinctive flavor and yellow color, used in curries and some prepared mustards. Curcumin, the active ingredient in turmeric, contains a mixture of powerful phytonutrients known as curcuminoids.

How does turmeric support health?

Helps maintain a healthy inflammatory response.*

Provides powerful free radical scavenging activity.*

Helps maintain the health of brain cells.*

Promotes healthy liver function.*

Supports the health of the liver even under challenging circumstances.*

Why choose VitaCost Turmeric?

Supplies 800 mg of turmeric extract per 2-capsule serving.
