

Since 1972

Glandular System Support*

GUARANTEED PURE

Target-Minerals are minerals chelated to specific amino acids. As chelates, these minerals are readily absorbed and targeted to specific body systems.*

This formula contains glutamine, proline, and histidine, amino acids used by the body to manufacture certain hormones.*

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

RECOMMENDATION

Take two capsules before breakfast and one before lunch daily.

This bottle was sealed for your protection. Do not use if inner seal is missing or damaged. Nature's Sunshine uses natural source materials in its products that are subject to color variation.
