

Suggested Use: 1 scoop per day dissolved in water or as directed by a health care professional. Take one hour before or two hours after meals or medications.

A factor in the maintenance of good health. Helps in the development and maintenance of bones and teeth.* Helps the body to metabolize fats, proteins and carbohydrates.* Helps in tissue formation.* Helps to maintain proper muscle function.*

The proper balance of acidity and alkalinity (pH) in the blood and other body fluids is critical for maintaining optimal metabolic function and calcium homeostasis. AlkaCare pH provides powerful support to counteract the effects of an acid-forming diet or conditions associated with an increased acidic load. AlkaCare pH includes BerryRich® – a proprietary blend of seven whole berry fruit concentrates to help reverse oxidative stress.

Caution: Some people may experience diarrhea. Keep out of reach of children.

Contains no artificial preservatives, colors or sweeteners; no dairy, gluten, soy, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
