IN.FORM™ Metabolic Age Support Berberine is a natural extract of Indian Barberry root. Berberine was selected for the clinically studied[†] IN.FORM program which supports balance of the microbiome. A balanced microbiome can contribute to healthy metabolic function.*

- Supports gut health to combat endotoxins which can interfere with gut performance and glucose metabolism*
- Supports healthy insulin response*
- Supports already healthy cholesterol and triglyceride levels*

RECOMMENDATION: Take one capsule before a meal, three times daily.

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.*
