Homocysteine Plus

Nutrients to facilitate the breakdown of homocysteine into methionine and other metabolites: coenzyme forms of vitamins B2, B6, folate, and B12, plus glutathione, zinc, trimethylglycine, and L-serine.*

Suggested Use

As a dietary supplement, 1 capsule one or two times daily with meals, or as directed by a healthcare practitioner.

Variations in product color may occur. Keep in a cool, dry place, tightly capped.
