

Each scoop of Pro JYM delivers 24 grams of pure, quality protein. It's not made with cheap and inferior whey protein concentrate and/or caseinates like the majority of protein powders on the market today. Instead it uses only the highest-quality whey protein isolate, micellar casein, milk protein isolate, and egg white protein (egg albumin). The 24 grams of protein in each scoop of Pro JYM contains the following:

- Whey protein isolate: 7.5g
- Micellar casein: 7g
- Milk protein isolate: 7g (5.5g casein, 1.5g whey)
- Egg albumin: 2.5g

■ WHEY PROTEIN
■ CASEIN PROTEIN
■ EGG PROTEIN

Since milk protein isolate is 20% whey protein and 80% micellar casein, the 7 grams of milk protein isolate are composed of 1.5 grams of whey and 5.5 grams of casein. This means that each scoop contains 9 grams of whey protein, 12.5 grams of micellar casein, and 2.5 grams of egg protein.

INGREDIENTS: Protein blend (Whey protein isolate, Micellar casein, Milk protein isolate, Egg albumin), Nondairy creamer (Sunflower oil, Corn syrup solids, Sodium caseinate, Mono- and diglycerides, Dipotassium phosphate, Tricalcium phosphate, Soy lecithin, Tocopherols), Natural and artificial flavors, Dehydrated marshmallows (Sugar, Corn syrup, Modified cornstarch, Gelatin, Sodium hexametaphosphate, Artificial flavor, Natural flavor, Artificial color (blue #1)), Cocoa powder (Dutch process), Guar gum, Sucralose, Lecithin, Acesulfame potassium, Silicon dioxide.

ALLERGEN WARNING: Contains MILK, EGGS and SOY and is produced in a facility that also processes PEANUTS and WHEAT.

DIRECTIONS: Mix each scoop of Pro JYM in 6 oz. of water for best taste and texture. Consume 1 scoop within 30 minutes before workouts, and 1 scoop within 30 minutes after workouts. Also consider taking 1 scoop when you first wake up each day and before going to bed for maximizing lean muscle mass gains. You can also consume 1 scoop between regular meals.

WARNINGS: Do not use as a sole source of nutrition. Keep out of reach of children. Check with a qualified healthcare professional before taking this product if you are pregnant, nursing a baby, under 18 years of age, or if you have any known or suspected medical condition(s) and/or are taking any prescription or OTC medication(s). This product contains a chemical known to the State of California to cause cancer, birth defects, or other reproductive harm.

This product was produced in a GMP-compliant facility. Good Manufacturing Practices, or GMPs, are a set of standards which ensure the purity and proper labeling of dietary supplements.
