Digestive System Support*

GUARANTEED PURE

NutriBiome™ represents the Nature's Sunshine line of probiotic supplements that help nourish and strengthen the gut microbiome and its resident microflora.*

A unique strain of probiotic, *Bacillus coagulans* helps defend against digestive upset and occasional diarrhea, gas and bloating. Naturally heat-stable, it can more readily withstand the acidic environment of the stomach, thereby helping it deliver targeted support to the gastrointestinal tract and maintain balance of the gut microbiome. This shelf-stable probiotic is blended with prebiotic inulin conducive to the growth of friendly bacteria.*
