

Suggested Usage: 1 softgel per day or as directed by a health care professional.

Bioclinic Naturals™ Vitamin D3 is carefully blended with organic flaxseed oil delivered in a bioactive easy-to-swallow softgel. Although direct sunlight exposure is a good source of vitamin D, many people do not get enough sun due to season change or lifestyle. Vitamin D3, which is the same form found in fish oils and eggs, is the form produced by sunlight on human skin. Vitamin D helps in the development and maintenance of bones and teeth.* Helps in the absorption and use of calcium and phosphorus.* Vitamin D also plays an important role in immune health and overall general health.*

Contains no artificial preservatives, colors or sweeteners; no corn, dairy, gluten, starch, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
