

Suggested Use: 1 softgel per day or as directed by a health care professional.

BioQ10SA™ Coenzyme Q10 is derived from 100% all-natural sourced materials and specially formulated in a proprietary process to enhance bioavailability. BioPQQ™ is manufactured in Japan using a patented natural fermentation process.

PQQ, considered a novel cofactor with antioxidant and B vitamin-like activity, enhances the biosynthesis of nerve growth factor (NGF), a key protein involved in the growth and survival of neurons.* PQQ and CoQ10 work together to promote antioxidant and mitochondrial health, providing multifunctional support for cardiovascular health and cognitive function.*

Contains no artificial preservatives or sweeteners; no corn, dairy, gluten, starch, wheat or yeast. Sealed for your protection. Do not use if seal is broken.
For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Bioclinic Naturals™ products are guaranteed to meet or exceed Good Manufacturing Practices (GMP) of the Canadian Government and the Therapeutic Goods Administration (TGA) regulations of Australia—among the world's highest standards for natural products.
