Now Includes
Easy-To-Use Syringe!

How To Use The Enclosed Syringe:

Shake the bottle well. Fill the syringe to the 1 mL line to provide the full daily dosage. Use full dosage, regardless of age or weight, unless your child's doctor recommends a different dosage. Dispense slowly into your child's mouth toward the inner cheek. It is normal for a small amount to remain in the tip.

Dosing Tips:

Tri•Vi•Sol® may be given by dispensing directly into the mouth. It may also be mixed with formula, fruit juice, cereal or other foods to increase your child's acceptance.

Ask your child's doctor about Tri•Vi•Sol.

This product comes with a child-resistant cap. Refrigeration not required. After opening, store away from direct sunlight.

USE BY DATE ON BOTTOM OF CARTON

WARNING: As with medicines, keep out of the reach of children.

Tri•Vi•Sol® Liquid Vitamins A, C & D Supplement

Enfamil® Tri•Vi•Sol® Liquid Vitamins A, C & D Supplement has vitamin D as recommended by the American Academy of Pediatrics for the exclusively and partially breastfed infant and for infants and toddlers who consume less than one quart of milk or formula per day.

Tri•Vi•Sol is designed to help meet the nutritional needs of your growing infant.

- One daily dose of Tri•Vi•Sol has vitamins A, C and D and is fruit flavored.
- Lactose-free and free of artificial sweeteners.
- As your baby grows, try Enfamil® Poly•Vi•Sol®. It is an ideal multivitamin supplement during your child's transition to solid foods, during growth spurts, or for the picky eater.
