## Probiotic Fiber™

SUGGESTED USE: Adults: Take 1 capsule daily. Probiotic Fiber may be taken continually to support overall health.\*

Probiotic Fiber helps nourish your colon with what it craves to stay healthy: Prebiotic Fibers and a balanced spectrum of 12 Probiotics strains \*

Probiotics are major contributors to a healthy immune response as well as optimal digestive health.\* Being live organisms, Probiotics need food to survive. Prebiotics are fibers that our Probiotics can digest.\* This process is known as symbiotics, where Prebiotics and Probiotics work together to make a happier you.\*
