Not all minerals are created equally. Magnesium and calcium are two of the most important building blocks for optimal bodily function.[†] Molybdenum, boron and iodine are minerals essential to specific reactions in your body to help ensure you are performing at your very best.[†]

Suggested Use: Adults, as a dietary supplement, take four capsules daily, preferably with a light meal. Consult a medical doctor before taking this or any other nutritional supplement if you are pregnant, nursing, have, or suspect a medical condition, or are taking any medications. Store at room temperature in a cool, dry place. KEEP OUT OF REACH OF CHILDREN.
