

Warning:

Do not use this product if you are pregnant, may become pregnant, or lactating. Individuals taking prescription medications should consult with a health care professional before using this product. A harmless but noticeable change in urine color may occur with the use of this product. Do not use if tamper-evident seal is broken or missing.

KEEP OUT OF REACH OF CHILDREN

DIM-PRO™ Plus nutritionally supports the activity of enzymes that metabolize estrogen and aspirin. Current research suggests diindolylmethane increases levels of "good" estrogens (2-hydroxyestrogens) while reducing levels of "bad" estrogens (16-hydroxyestrogens).*
