

Suggested Usage: 1 softgel 1–3 times per day with meals or as directed by a health care professional.

OptiMega-3™ uses MEG-3®, a pharmaceutical grade fish oil concentrate, which ensures that it is free from lipid peroxides and environmental pollutants, including heavy metals, pesticides, dioxins, PCBs and other harmful compounds. MEG-3® is the only fish oil in the world to have achieved the highest USP standard verifying the quality and consistency of the fish oil. Provides one of the highest available concentrations of EPA and DHA, in the 2:1 ratio used in the majority of scientific studies that reported clinical benefits. OptiMega-3™ provides one of the highest potencies of EPA and DHA, which have been shown to support healthy cardiovascular, immune, gastrointestinal and nervous system function.*

Contains no artificial preservatives, colors or sweeteners; no dairy, gluten, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Bioclinic Naturals products are guaranteed to meet or exceed Good Manufacturing Practices (GMP) of the Canadian Government and the Therapeutic Goods Administration (TGA) regulations of Australia—among the world's highest standards for natural products.

MEG-3® is a registered trademark of Ocean Nutrition Canada Ltd.
