MICROACTIVE INGREDIENTS[†]

BOOSTS CELLULAR ENERGY[†]

SUPPORTS CELLULAR INTEGRITY[†]

Mitochondria are the energy-production centers in our cells—they're like turbines that power our brain, muscles, and heart.[†] Total Mitochondria[™] provides the compounds that help bolster our mitochondria, supporting cellular energy and integrity, and the cardiovascular system to promote optimal health, recovery from exercise, and longevity.[†] Furthermore, Total Mitochondria's ingredients utilize MicroActive technology, a process of micronization that sustains their release for greater absorption and bioavailability.[†]

Suggested Use: Adults, as a dietary supplement, take one capsule daily. Consult a medical doctor before taking this or any other nutritional supplement if you are pregnant, nursing, have or suspect a medical condition, or are taking any medications. Store in a cool, dry place. Do not use if freshness seal is missing or broken. **KEEP OUT OF REACH OF CHILDREN**
