*If flushing or itching occurs, drinking 1 or 2 glasses of water may alleviate symptoms.

Niacin (vitamin B-3) is an essential B vitamin that's important for properly metabolizing fat and fat-like substances, such as cholesterol.* Niacin supports energy production, and healthy cardiovascular and nervous system function.*

Niacin may cause flushing or itching, but Niacin-Time® is prepared to minimize or eliminate these side effects by providing a gradual release of Niacin over a period of several hours. Please be aware that a flush may occur.* Taking this product with warm fluids may enhance this effect.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.
