CONTAINS: Soy.

▼ These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

DIRECTIONS: Take one (1) softgel daily, preferably with a meal.

WARNING: Consult your healthcare provider prior to use if you are pregnant, nursing, taking any medications or have any medical conditions.

Ubiquinol is a more readily available, active form of CoQ-10 that provides improved bioavailability over standard CoQ-10 (Ubiquinone) supplements.

STORE IN A COOL, DRY PLACE. KEEP OUT OF REACH OF CHILDREN.

TAMPER EVIDENT Do not use if outer seal is broken or missing.

Statin medications may deplete CoQ-10 in the body. Supplementation with the Vitamin Shoppe brand CoQ-10 promotes CoQ-10 levels and may help prevent medication-induced depletion.▼
