Other Ingredients: Dicalcium Phosphate, Vegetable Cellulose, Gelatin. **Contains <2% of:** Silica, Vegetable Magnesium Stearate.

Selenium is a potent antioxidant that helps to fight cell-damaging free radicals in the body.* Selenium also supports a healthy immune system.* Selenium may reduce the risk of certain forms of cancers. Some scientific evidence suggests that consumption of selenium may reduce the risk of certain forms of cancer. However, the FDA has determined that this evidence is limited and not conclusive.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
