

Doctor's Best Natto-Serra (Nattokinase-Serrapeptase) is a combination of two natural enzymes that have been used as dietary supplements for decades. Serrapeptase (serratiopeptidase) is a protein-digesting enzyme isolated from the friendly bacterium *Serratia E-15* discovered in the Japanese silkworm. Nattokinase also digests protein and is derived from "natto," a fermented soy food popular in Japan for centuries. This nattokinase is free of vitamin K. The serrapeptase is formulated with Serrateric™, a superior alternative to enteric coating that protects the enzyme until it reaches the intestine for optimal absorption.

Helps support the circulatory system*
Helps support the immune system*

Supplement Facts

Serving Size 1 Veggie Capsule
Servings Per Container 90

	Amount Per Serving	%Daily Value
Calcium (from tricalcium phosphate and calcium stearate in Serrateric™)	27 mg	2%
Serrapeptase Enzyme (from <i>Serratia</i> sp.)	40,000 SPU**	†
Nattokinase (from fibrinase enzyme)	2,000 FU***	†

† Daily Value not established.

Other Ingredients: Serrateric™ (maltodextrin, tricalcium phosphate, calcium stearate, microcrystalline cellulose, medium chain triglycerides), delayed release capsule (modified cellulose, gellan gum, purified water). **Contains Soy**

Suggested Adult Use: Take 1 capsule daily without food, or as recommended by a nutritionally-informed physician.

WARNING: Not recommended for individuals who are pregnant, nursing, allergic to soy, or have poor digestion. Consult a physician before use if taking blood thinners. Stop taking if you experience nausea, vomiting or stomach upset.

Non-GMO / Gluten Free / Vegan
