

Zinc A.G.™ features zinc as an amino acid chelate with arginine and glycine designed to be highly absorbable and well tolerated. Zinc is especially important for immune and tissue health. In addition, zinc is a component of numerous enzymes in the body related to energy metabolism, bone mineralization, and protein synthesis—and plays a role in male reproductive health.*

Directions: Take one tablet one to two times daily or as directed by your healthcare practitioner.

This product is non-GMO, gluten-free, and vegetarian.

Caution: Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
