

Vasotensin® provides peptides from bonito fish to support healthy blood pressure levels already in the normal range. Bonito peptides have been shown to impact the formation of angiotensin II through their interaction with angiotensin-converting enzyme. This formula is designed to provide a supportive dose in just 2 tablets twice daily.*

Directions: Take two tablets two times daily with meals or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Caution: If pregnant or nursing, taking other nutritional supplements, or taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
