

MetalloClear® offers specialized nutritional support designed to enhance liver detoxification activities. Preliminary research suggests that curcumin, andrographis, and hops-derived phytonutrients up-regulate the genetic expression of enzymes involved in the metabolism of some heavy metals.*

Directions: Use as directed by your healthcare practitioner. Take with food as recommended.

This product is non-GMO, gluten-free, and vegetarian.

Warning: Do not use if pregnant, nursing, or if taking anticoagulants.

Caution: If taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
