

Ultra CLA* features high quality conjugated linoleic acid (CLA) in triglyceride, rather than free fatty acid, form for enhanced stability. The stability of the CLA is further enhanced by the addition of a standardized extract of rosemary leaf, which helps protect the oil. CLA is a naturally occurring fatty acid that may support lean body mass.*

Directions: Take two softgels three times daily or as directed by your healthcare practitioner.

This product is gluten-free.

Caution: Not recommended for pregnant or nursing women. If taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.

U.S. Patent No. 6,432,453.
