

AdvaClear® supports daily detoxification for optimal vitality and health. This formula provides methylated B₁₂ and folate along with bifunctional nutritional support designed to enhance the activities of several liver detoxification enzymes and support Phase I and Phase II detoxification pathways.*

Directions: Take two capsules once daily or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Warning: Excess vitamin A intake may be toxic, may increase the risk of birth defects, and may contribute to osteoporosis. Pregnant women and women who may become pregnant should not exceed 10,000 IU of preformed vitamin A (retinyl palmitate) per day unless directed to do so by a healthcare practitioner.

Caution: If pregnant or nursing, taking other nutritional supplements, or taking medications, consult your healthcare practitioner before use. To be taken under supervision of a healthcare provider. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
