Fem EstroPlex® is designed to provide important nutrients for the woman who experiences early menopause. The formula features quality extracts of traditionally used herbs and the antioxidant vitamins C and E to provide multiple levels of support during menopause.*

Some unique features include:*

- Nutrients that support the adrenal glands' adaptive response.
- Cardiovascular support from vitamin E.
- Additional support from valerian, motherwort, and vitamin B₆
 —a factor in the metabolism of some neurotransmitters.

Directions: Take three tablets daily or as directed by your healthcare practitioner.

This product is non-GMO, gluten-free, and vegetarian.

Warning: Do not use if pregnant or nursing.

Caution: If taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
