

GlutaClear® features a blend of key ingredients designed to help boost the body's production of glutathione, a primary antioxidant throughout the entire body. Glutathione plays an important role in protecting the body against oxidative stress and supporting liver detoxification processes. Preliminary research suggests glutathione may also help protect mitochondria—the principle source of cellular energy—from damaging pro-oxidant influences.*

Directions: Take two tablets twice daily with food or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Caution: If you are pregnant or nursing, consult your healthcare practitioner before use.

Storage: Keep tightly closed in a cool, dry place.
