

Glutagenics® features three key ingredients—glutamine, deglycyrrhized licorice (DGL), and aloe gel—that are designed to support the integrity and healthy function of the gastrointestinal lining. A healthy gastrointestinal lining is essential for proper digestion, immune function, and overall health.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Glutagenics features:

- 3.5 grams of the amino acid glutamine, which provides both a source of fuel and precursors for growth to the rapidly dividing cells of the intestinal lining.*
- A concentrated extract of DGL to support gastrointestinal health.*
- A premium powder of decolorized inner leaf aloe to support a healthy intestinal lining.*
- Natural flavors for improved taste.

The licorice in Glutagenics has been processed to remove glycyrrhizin, which has been associated with sodium and water retention.

Directions: Mix one scoop (4.33 g) with water or as directed by your healthcare practitioner.

This product is non-GMO, gluten-free, and vegetarian.

Warning: Do not use if pregnant or nursing.

Caution: If taking medication, please consult your healthcare practitioner before use. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
