

L-Carnitine with Chromium is a blend of two nutrients that play important roles in the metabolism of fat. L-Carnitine is required for the breakdown of fats and glucose into energy, while chromium supports healthy glucose metabolism.*

Directions: Take one tablet twice daily between meals or as directed by your healthcare practitioner.

This product non-GMO, gluten-free, and vegetarian.

Caution: If pregnant or nursing consult your healthcare practitioner before use.
Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
