

Inflavonoid Intensive Care® features highly bioavailable CurQfen® (curcumin and fenugreek) and XNT ProMatrix® (xanthohumol), which may help support the body's response to oxidative stress and other stressors. It also offers boswellia and ginger extracts, which may help support the body's immune response.*

Directions: Take 2 capsules once daily with food or as directed by your healthcare practitioner

This product is non-GMO, gluten-free, and vegetarian.

Caution: If pregnant or nursing, taking medication, or taking other nutritional supplements consult your healthcare practitioner before use. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
