

HerSynergy® is formulated to promote libido in women with a special, concentrated extract of fenugreek, which may support multiple key markers of sexual function and arousal. This novel formula also supplies targeted vitamins and minerals to help maintain estrogen metabolism and other factors related to libido, such as emotional health and relaxation.*

Directions: Take one tablet twice daily with food or as directed by your healthcare practitioner.

This product is non-GMO, gluten-free, and vegetarian.

WARNING: Do not use if pregnant or nursing.

CAUTION: Consult your healthcare practitioner if taking other nutritional supplements or medications.

Storage: Keep tightly closed in a cool, dry place.
