

CoQ10 ST-200™ features a stabilized encapsulation of coenzyme Q10 (CoQ10) manufactured specifically for stability, purity, and bioavailability. CoQ10 is a naturally occurring substance that is essential for energy production and is of particular importance in supporting cardiovascular health. CoQ10 has potent antioxidant properties and cell membrane stabilizing effects, and may help maintain healthy blood pressure already in the normal range. This formula also provides the antioxidant vitamin E.*

Directions: Take one softgel daily or as directed by your healthcare practitioner.

This product is gluten-free.

Caution: If pregnant or nursing, or taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
