

Protrypsin® is a potent, enteric-coated proteolytic enzyme formula featuring premium-grade chymotrypsin and trypsin to support tissue health.*

Directions: Take two tablets one to three times daily between meals or as directed by your healthcare practitioner. **This product is non-GMO and gluten-free.**

Caution: If pregnant or nursing, consult your healthcare practitioner before use if taking other nutritional supplements or medications. Do not use if there is a prior history of or a current peptic or duodenal ulcer. Keep out of the reach of children. Do not use in individuals who have a known allergy or hypersensitivity to pork or pork protein.

Storage: To help maintain potency after opening, keep this bottle tightly closed and store in a cool, dry place.

Do not refrigerate. Refrigeration may cause moisture condensation on the product.
