

Celapro[®] features phytonutrients that provide protection for the body's tissues including the breast, prostate, colon, and lung, where they may help combat destructive free radicals and support cell health. By combining lycopene with green tea extract, curcumin from turmeric, and D-limonene from citrus peel oil, this formula has a highly concentrated and targeted blend of tissue-protective phytonutrients.*

Directions: Take one softgel daily or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Caution: If pregnant or nursing, or taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.
