

E Complex-1:1™ is an unesterified vitamin E formula that features d-alpha-tocopherol combined with a mixed tocopherol blend, achieving a one-to-one ratio of alpha- to gamma-tocopherols. This unique formula is designed to provide the antioxidant benefits that come from consuming a comprehensive family of tocopherols.*

Directions: Take two softgels daily with a meal or as directed by your healthcare practitioner.

This product is gluten-free.

Caution: Keep out of the reach of children. If pregnant or nursing, or taking other nutritional supplements or medication, consult your healthcare practitioner before use.

Storage: Keep tightly closed in a cool, dry place. This product is manufactured in a facility that produces products containing wheat, gluten, milk, egg, soy, tree nuts, fish, and crustacean shellfish.
