

UltraFlora® Acute Care is a unique blend of "friendly" bacteria and *Saccharomyces boulardii* to support immune health and provide targeted relief for acute bowel distress including occasional loose stools. Ideal for traveling and backed by the Metagenics ID Guarantee.*

Visit WhyUltraFlora.com for more information.

Directions: Take one capsule one to two times daily or as directed by your healthcare practitioner.

This product is non-GMO, gluten-free, and vegetarian.

Notice: For maximum stability and viability, keep refrigerated. However, product may be stored at room temperature (65–75°F) for up to one month without adversely affecting potency. This makes UltraFlora Acute Care an excellent choice for travelers.
