

CeraIn® Forte is formulated to provide multidimensional support for brain and nerve health by protecting against oxidative stress, as well as supporting healthy mitochondrial function, methylation, homocysteine metabolism, and circulatory function. Designed to act within the brain and nervous system, this advanced formula features L-5-MTHF (a bioactive form of folate), NAC, and acetyl-L-carnitine—which research suggests may be able to cross the blood-brain barrier—along with concentrated grape seed extract to support vascular and nerve health.*

Directions: Take three capsules daily or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Caution: Do not use if pregnant or nursing.

If you have a history of kidney stones or seizures, or are taking medication, consult your healthcare practitioner before use. Maintain adequate fluid intake while taking this product. Keep out of the reach of children.

The Metagenics logo consists of a circular icon containing a stylized cluster of small circles, followed by the word "Metagenics" in a blue, sans-serif font.
