Magnesium Bisglycinate Powder

Nervous System Support*

- Supports Energy Production*
- Critical for Enzyme Function*

NET WT. 8 OZ. (227 g)

A Dietary Supplement Vegetarian/Vegan

Suggested Usage: Mix 1 level teaspoon of powder into at least 6 oz. of juice or water. Take 1 to 2 times daily with food. This product must be diluted into a liquid before ingestion.

Magnesium bisglycinate utilizes magnesium bound to the amino acid glycine, which facilitates intestinal absorption.* Magnesium is a mineral that activates an estimated 300 enzymes, including those that regulate functions critical for energy production and metabolism, muscle contraction, nerve impulse transmission, and bone mineralization.* In addition, magnesium is required for fatty acid synthesis, protein synthesis, and glucose metabolism.* Magnesium status is also important for regulation of calcium balance through its effects on the parathyroid gland.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do not eat freshness packet enclosed.
