*Percent Daily Values are based on a 2,000 calorie diet.

**Daily Value not established.

Other Ingredients: Vegetable Cellulose, Dicalcium Phosphate, Dextrin, Silica, Vegetable Magnesium Stearate.

Test-Stack goes beyond conventional Tribulus products by standardizing each dosage for 45% Saponins - one of the highest standardized amounts you'll find anywhere!

Ultimately what distinguishes Test-Stack is its three proprietary complexes: Pro-Test, Flavone and Balance contain unique herbs, sterols and compounds for your hardcore training program, such as Horny Goat Weed, Indole-3-Carbinol and Phytosterols.

We'll provide the edge - if you're willing to step up to it.

Test-Stack should be used during your maximal training cycle while Test-Stack Post Cycle should be used during your training-recovery cycle.
