MegaFood Turmeric Strength Liver is made with a proprietary blend of FoodState® Turmeric Root and pure turmeric root extract to deliver a guaranteed minimum of 300 mg curcumin along with a synergistic benefit of curcuminoids to support an already healthy inflammation response.* We also added BioPerine®, a patented black pepper extract that helps support the absorption of curcumin (that otherwise on its own can be hard for the body to assimilate), and milk thistle seed, with 80% silymarin, to support liver health.*

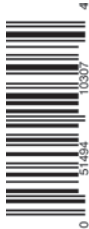

This MegaFood product is made with real food and carefully selected herbs to deliver a range of health-promoting compounds.* See how they're made at megafood.com/showme. Satisfaction guaranteed or your money back.

We believe that the most nutritious food comes from healthy soils and valued farmers. Our goal is to work with farmers who share our commitment to organic and regenerative agriculture. megafood.com/farmers
