

ChondroCare® is designed to provide broad support for healthy joints by featuring high quality glucosamine sulfate and chondroitin sulfate, nutritional factors known to help support cartilage health and soft tissue formation. This well-rounded formula also features methylsulfonylmethane for joint health as well as zinc, copper, manganese, and selenium for antioxidant support.*

Directions: Take two tablets once daily or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Caution: This product is not suitable for individuals with shellfish allergies. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.
