Directions As a dietary supplement, chew one (1) tablet immediately before, during, or immediately after a meal containing cholesterol. Each tablet may block absorption of 500mg of cholesterol. **Suitable for vegetarians.**

Keep out of reach of children. Store in a cool dry place. If you are pregnant, planning to become pregnant, breast feeding, taking any prescription medication, or have a medical condition, consult your physician or healthcare professional before taking this product. Do not exceed recommended dosage.

Research from 1951 to today indicates that plant sterols in this product block absorption of cholesterol from the intestines on a milligram-to-milligram basis when ingested along with cholesterol containing food, and may also support healthy prostate and immune function.¹
