MegaFood Adult B-Centered is made with a blend of B vitamins and herbs that help promote healthy cognitive function and mental focus.* We make it with the active form of vitamin B6, as well as the methylated forms of folate and B12. These are paired with lemon balm, and L-theanine, shown to support the body's stress response, mental function, and emotional wellbeing.*

This MegaFood product is made with real food, wholesome nutritional yeast, added nutrients, and carefully selected herbs. Each vitamin or mineral is paired with an ideal whole food using our unique process to deliver guaranteed potency and the benefit of health-promoting compounds present in the whole food itself.* See how they're made at megafood.com/showme. Satisfaction guaranteed or your money back.

We believe that the most nutritious food comes from healthy soils and valued farmers. Our goal is to work with farmers who share our commitment to organic and regenerative agriculture. megafood.com/farmers
