

GNC

MEN'S Healthy Testosterone

Contains clinically studied ingredients and additional key nutrients to support healthy testosterone levels and sexual health.*

Testosterone & Sexual Health Support

Combines Testofen® fenugreek seed extract, which helps support testosterone levels, and saw palmetto, which supports normal prostate function and healthy urinary flow.* As men age, testosterone levels gradually decline. Healthy testosterone levels help maintain sex drive, sperm production, muscle strength and bone density.

Muscle Support

Includes magnesium, thiamin and calcium, all of which are necessary for proper muscle function. Also includes the branch chain amino acid (BCAA) leucine.*

Circulatory Support

Features clinically studied resVida® Resveratrol to enhance blood vessel dilation and protect against free radicals that can promote cell aging.*

Energy & Metabolism Support

Contains ginseng, which is traditionally used to support vitality and overall well-being, and includes key B vitamins and copper to support energy production and metabolism.*
